

**NU-STYLE  
SHUTTERS**

*It's how we roll.*

## **Roller Shutters and Outdoor Blinds**

**100% Custom made. 100% Customer focused!**

Nu-Style Roller Shutters are guaranteed to reduce heat and cold transfer, keeping you cool in summer and warm in winter.

**NU-STYLE  
SHUTTERS**

*It's how we roll.*

**Privacy**

- Nu-Style Shutters offer you privacy during both day and night. You control the extent by simply adjusting the shutter to suit your needs. When fully open, the shutter curtain is completely out of sight leaving unrestricted views through your window.

**Controls**

- Nu-Style roller shutters can be operated either electrically or manually. More importantly, they are operated from inside your home to further enhance the security and convenience aspect.

**Ask us for RAC  
members' Discount**

**Value for money**

- The cost of heating and cooling your home is substantially reduced all year round making this product an ideal investment for the future. (Reduce on energy costs as well as the damaging effect on the environment)

We offer a free in home measure and quote service to all metro areas call 1300 798 776 to make an appointment with one of our professional consultants today.

**Control your environment**

- Prevent the sunlight from fading carpets and interior furnishings as well as acting as a long term protection for window frames.

**Security**

- Nu-Style roller shutters are admired for their stylish look and renowned for their function and durability.
- A quality that provides a superior defence against burglary, an effective deterrent against vandalism and a protective barrier against bush fire.

**Nu-Style Remote Control Handsets**

**Noise & light**

- University tests have proven that roller shutters have an overall effect in the reduction of noise levels from outside the home.
- Light and ventilation can be adjusted to create a pleasant, softly lit atmosphere.

**Features & benefits**

- Enhance security
- Increase privacy
- Reduce noise
- Shut out light

\* Conditions apply

**Quality materials**

The aluminium material is coated in a fade resistant, non-corrosive, abrasion resistant coating offering total protection from extreme weather conditions.

**Strength & insulation**

Lightweight yet extremely strong, the curtain area consists of an aluminium skin injected with a (CFC free) polyurethane foam for added strength and insulation qualities.

*It's how we roll.*

Entertain in comfort and style all year round with Nu-Style  
Outdoor Blinds

Take control over your alfresco, creating an ambient and enjoyable space for you and your family by installing Nu-Style Outdoor blinds. We offer a wide range of manual and automated blinds with a variety of stylish and durable fabrics to suit your home decor and needs.

Nu-Style Outdoor blinds are made tough to perform year upon year in the harsh Australian climate blocking the sun and UV in summer and keeping you warm and dry in winter. Our consultants are professionally trained to measure straight drop blinds, fully sealed Ziptrak® and the exclusive Galaxy and Universal range, giving you all the information on the most technologically advanced outdoor blinds available.
